Why Women Build?

Women Build is a **movement**, driven by the power of **women supporting women** on a Habitat for Humanity Greater Portland build site.

At Habitat for Humanity Greater Portland, we believe that **strong women build strong communities**. Every year, this signature event brings together hundreds of women from all walks of life to address the housing crisis and community impact in the Greater Portland area, focusing on **empowerment, solidarity, learning and pride in our community**.

We believe in the power of women to lead and create positive change. Women Build is a unique opportunity for women-led teams to join forces, roll up their sleeves, and work together to build safe, affordable homes for families in need.
